

HealthOne—Premium Health
Care at an Affordable Price

Choosing a health care provider is a difficult decision to make. HealthOne is committed to helping you make the best decision in doctor selection. Our physicians are subject to stringent credentialing processes* and share our belief that the patient is **number one**. You may take comfort in knowing a

**Credentialing is recurring practice that occurs every two years for all physicians.*

Health One provider is among the premier providers in his or her field. The ultimate decision of what health care provider you choose is **yours!**

However by selecting a HealthOne provider you can take comfort in the fact that your employees and their families are being treated by some of the best. Additionally your benefits include lower costs as HealthOne has arranged for competitive discounts for the services rendered by our partners, thereby ensuring your employees will receive the best care at affordable costs.
